School's Behaviour policy

We expect our children to be well-behaved, polite, hardworking and to keep to the School's Aims and follow school rules. The full policy can be viewed in the School Office or on the [school website](#). In the event of a problem at school please inform us quickly so we can look to solve any problems.

Annual Home School Agreement

At Cheselbourne Village School, we believe children achieve the most when school and parents work together. This home-school agreement is designed to help us all in working together, understanding the expectations for how we can achieve this and therefore make the most of your child's time in our school.

Please take time to discuss this leaflet with your child and then sign both copies of the agreement- keep one for your reference and return one to school to be kept on your child's file.

Please remember that this is an important agreement which is at the heart of an effective relationship between home and school. The well-being and progress made by children depends on its principles being fully supported.

Thank you.

Cheselbourne Village School

'Inspiring a Lifetime Love of Learning'

Our School Aims (devised by School Student Voice)

During their time at Cheselbourne Village School all children will:

- o Have fun in their learning and play.
- o Know how to respect everyone and the community around them.
 - o Learn to be kind and share.
- o Develop great vocabulary, number and computing skills as part of developing important life skills.
- o Enjoy creative learning about a wide variety of topics from the past and present.
 - o Learn how we can look after our world.
- o Be inspired to learn so that a passion for learning stays with them throughout their lives.

When children leave Cheselbourne Village School they will have an amazing future because of everything they have learnt and experienced here.

Our school aims are underpinned by our three school values and the values and expectations shared by all DASP schools. Whilst it recognises differences which exist between schools in the pyramid, it sets out guidelines which are similar and consistent in all DASP schools.

The School's Responsibilities are to:

- ...keep children safe from any harm at all times whilst in our care.
- ...provide quality education for *all* children.
- ...provide good role models that are professional at all times.
- ...provide clear and consistent guidelines for behaviour.
- ...celebrate positive behaviour and attitude to learning and success.
- ...set ambitious but realistic and supportive expectations for learning.
- ...encourage courtesy, conduct and mutual respect for all at all times.
- ...provide regular opportunity for parents to speak with us.
- ...treat children as individuals rather than as just one of many.

We also support individual children as necessary by:

...identifying those children who may need some additional support either in their learning, behaviour or wellbeing and then providing extra support with this.

Signed:

Chris Perry, Headteacher, on behalf of the school.

Parents' Responsibilities:

We ask for your support in achieving the high standards we expect from our pupils.

By:

- o Ensuring your child is rested and ready for school- with a good night's sleep before school.
- o Equipping them with the correct school uniform (named) together with PE kit, bookbag (or equivalent suitable school bag) and lunch which is healthy (no squash or sweets etc.).
- o Sending your child punctually to start school at **8:45am** every day during term time, providing they are fit and healthy.
- o Contacting school as soon as possible in the case of any absence. This is a legal duty for parents.
- o Supporting the children at home with regular reading (at least four times a week), working on spellings and times tables (Y3/4).
