Dear Parents

We had excellent singing in Kingfisher class this week, led by the DASP Music Coordinator.

You will be pleased to know that we have started a new Outdoor Science afternoon in school, taught by Mrs Spratt. Here are some pictures...

Over the rest of the Summer Term the children will be exploring relationships and health in PSHE lessons. We will explore different types of relationships such as parent and child or friend and friend, our personal health and how the body changes as we grow older. For year four, we will look at some of the changes that take place during puberty. All this teaching will be in line with the expectations of the Science National Curriculum for individual year groups and will be handled with due care and respect. If you have any worries or concerns, please feel free to contact Mrs Mowlam, Mrs Collett or me.

Emailed with this newsletter are the term dates for the academic year 2021-22. The INSET (staff training) days, highlighted in yellow, are days when the school is not open for children. **Please note that the first day back for the children is Friday 3 September.**

The whole school photograph took some doing, as you can imagine! You will be pleased to know that we were able to get most of the children looking in the right direction and smiling!

Please see below some lovely pictures (not posed!) of our Early Years children.

Yours sincerely,

Jyotsna Chaffey
