those days:*

Wed 17th July	Ansty Hall	Ansty Hall
Thurs 18th July	Ansty Hall	School

We're very grateful for parents' support with this. Arranging school at Ansty Hall on Wednesday 17th means we can rehearse ready to perform the following day. Any bus children that get the bus to school will be brought up to school by staff. We will notify the bus company that some children will be not be getting the bus that day.

*School lunches will be served at the hall on
Wednesday as they would be in our normal hall.*

All children will return to school by coach in time for lunch back at school on Thursday 18th following the morning performance.

To help cover the cost of hiring a coach we will be asking kindly for parents to give a voluntary contribution of £3 per child, there will be a permission slip coming out in due course which any contributions can be attached to. Thank you!

Summer Production 2019 Newsletter

*A very BIG thank you to Dan and Casey Gregory who have once again
very kindly produced a great poster for this year's play!*

Costumes:

As part of hiring the hall we will also be able to use costumes from there again. Therefore **please do not purchase or make anything for costumes just yet**, a note regarding specific costumes will follow.

Tickets:

To cover the cost of hiring the hall for the performances and rehearsal day, we will once again be selling tickets for both performances. These will be going on sale from Monday 1st July 2019. £2.50 for adults and £1.50 for children over 2. Please purchase from Mrs White in the office. Any tickets not sold in school will be sold on the door but as there is a limit to audience capacity in the hall we'd recommend you buy before to avoid any disappointment on the day.

The CSF will be providing refreshments at both the morning and evening performance however please note there will **not** be a BBQ or stalls at the play this year as these will be happening as part of our Leaver's Service and Celebration the following day on Friday 19th July.
