

Cheselbourne Village School

Friday 3rd December 2021

Dear Parents

The sound of festive songs and chats about advent calendars have been ever present this week at Cheselbourne Village School. It is an exciting time of year for everyone, but also can cause many others to struggle with self regulation and emotions as everything can sometimes become 'too much'. Our key school value of 'Nurture' is significantly important at the moment as we plan many exciting and different activities to engage the children with their learning and topics. We will always provide an inclusive and caring environment for our children and we are able to personalise many things to support them. I have again shared the timetable for the last week of term to help you with the key events, however you may find it helpful to use it to prepare your children for any of these days and how plans might be slightly different to usual. Social stories, cartoons and pictures are all really good tools that we would use and we would like to work with you to enable many pleasant surprises and prepared activities for our family school community.

Please keep in contact with the class teachers if you feel the need to discuss anything regarding your child's emotions or challenges during this very exciting time for all.

Take care,

Kind regards,

Mr C Perry

Mr C. Perry

Headteacher
