

Cheselbourne Village School

Friday 14th January 2022

Dear Parents

The children have continued to return to the school routine exceptionally well and I have been very impressed with their learning attitudes and behaviour this week. We have reinforced the importance of 'trying our best' and being motivated in our learning. Our PSHE theme of Dreams and Goals has also covered how resilience is important if we find something a challenge and how taking risks is something that helps us to improve. I am pleased to see so many children recognised for doing this already this half term.

We have come straight back into a clear routine and structure which always helps young children to feel safe and secure. We are focused on building on the excellent work that took place in the Autumn Term to ensure that the children continue to make good progress this term again in the core areas of the curriculum. It is important that we keep the momentum going all year in order for attainment and progress to be at least in line with national comparisons if not better. We have been really pleased with the progress so far this year and feel that we can achieve this target if we keep up this momentum. It is important that children keep reading on a daily basis, not just in school but at home as well.

I hope that we can have a very successful and more importantly enjoyable Spring Term. As always if you do want to discuss anything then please do not hesitate to make contact with us through your child's class teacher.

Kind regards,

Mr C Perry
