## News for this week:

**Wow what a STEM Week!** We've enjoyed a brilliant week of learning all about Science, Technology, Engineering and Maths. The range of learning experiences for the children has been wonderful, they have had a great week and learnt so much.

Thank you also to all our parents for all that went on behind the scenes at home with the Science Fair projects. The fair today was another wonderful experience and the projects on display were fantastic. Thank you all for your hard work and commitment in supporting the children produce such wonderful exhibits!

If you're looking for a bit more STEM then this Sunday there is a free Science event being held in Dorchester:

*The Family Science Festival is being held at the Corn Exchange on Sunday the 17<sup>th</sup> March from 1pm-5pm. The event is free to attend and will include an exciting range of interactive stalls brought to you by local scientists. Amongst a wide range of activities, there will be the chance to 'meet an astronomer' and explore what stars are made of, investigate molecules with a local Chemist, and handle exotic animals – if you dare. Plus learn about radio tracking, and how the technology is being used to help the planet. You will also be able to observe living microbes and even augment your reality and enter a prehistoric world of dinosaurs and much, much more.....*

*The event will also see the debut outing of the 'Dorset Inflatable Museum' which will be touring the County from April, providing a unique pop up experience whilst the Dorset County Museum undergoes extensive and exciting refurbishment.*

### Events coming up:

- Next week on Wed 20th March is the DASP Singing Concert for Kingfisher Class at Thomas Hardy School. Please make sure reply slips for this have been returned to the office before Wednesday. Thank you.

- **Easter Service** - our annual Easter Service is being held at St Martins Church in Cheselbourne on Wednesday 27th March at 2pm. Everyone welcome along!

Thank you very much to those people who have already volunteered to help. If there are any other people that are able to help out at the event that would be wonderful. Please see Donna or Nerys for more information. Thank you!

Mrs See
