## News for this week:

Dear Parents,

**Farm Trip** - the whole school enjoyed their trip to the farm this week. Each class got so much out of the experience and it really added to our learning in the classroom. See our Facebook page for a snapshot of some of Y2s recount of the visit. We're very grateful to Farmer George for leading us on the trip and to Dorset County Show for helping to fund the transport to and from the farm.

**Crisp packet recycling** - Green Team have been busy setting up a new opportunity for us to be eco-conscious and do what we can to support a sustainable and eco-friendly way of life. In assembly on Monday they introduced our new crisp packet recycling scheme which will shortly be outside of school in our front playground. In this you will be able to recycle all kinds of crisp packets rather than throw them in the normal bin. Please collect any packets at home and bring them in to our recycling station. Children have also been putting any packets from lunchtimes in our new bin too.

**Play Equipment** - we have been watching eagerly as our new play equipment has been installed in the back playground this week. It is due to be finished today and so on Monday morning we will be opening the new equipment during our morning assembly ready for the children to then use and enjoy from Monday playtime. Thank you to our school friends who have contributed towards the cost of this new equipment— it is going to make such a difference to the children's wellbeing and fun at break times providing them with opportunities to explore, climb and swing across the new trail.

**The School Field** - work was also carried out this week on the field that the school use, it has had to be resurfaced to fill all the holes and then grass seeded over the top. The positive of this wet weather we've been having is that this seed will hopefully 'take' quickly and we may be able to use it before the end of term. Some of the children have been concerned about Sports Day on Friday 5th July and I have reassured them that I have a back up venue already planned.

**CSF Meeting** - thanks to everyone who attended or sent apologies for the CSF Meeting on Tuesday. We've some really lovely events coming up this term which are a mixture of both fundraisers and treats for the school. Thank you very much for all the hard work that goes into organising all these things.

**Summer Production** - excitement levels have gone through the roof this week as we announced this year's summer play— Peter Pan. Children in Kingfisher Class have brought home scripts today and work on this will begin next week. Please can parents support with learning lines for this— thank you. Next week I will also be sending out our Summer Production Newsletter to update you on all the information you'll need regarding rehearsals, tickets and costumes, so please watch out for that.

Warm regards, Mrs See

Each week at our Friday Celebration Assembly we will hear about all the great learning from the week and Mrs See will award certificates and special gold Head teacher stickers to say Well Done. The children's achievements will also be put up in the frames on the 'Wow Work Wall' outside her office.

WELL DONE to our Award Winners this week who have all got their achievements on the 'WOW Wall'...
