

<p><u>Literacy</u> Mrs Collett</p> <p>In Literacy this term we will be exploring traditional tales. We will be looking at Little Red Riding Hood before comparing it to the Russian tale ‘Baba Yaga’. After half term we will be creating persuasive texts after looking at texts related to our environment. We will continue to work on developing neat handwriting and making sure we can spell the Year 2 Common Exception Words.</p>	<p><u>ICT</u> Miss Taylor</p> <p>In ICT this term the children will continue to learn to type on a keyboard and then they will progress on to creating computer art in a pointillist style. They will continue to have the opportunity to safely find information on the Internet.</p>	<p><u>Religious Education</u> Miss Taylor</p> <p>In R.E we will be learning to explain what commitment means to us and to Muslims by knowing about how Muslims pray 5 times a day. We will learn to retell the Easter Story.</p>	<p><u>Numeracy</u> Mrs Collett</p> <p>In Numeracy this term we will be developing our understanding of multiplication and division. We will use objects to help us multiply and divide, before moving on to using our number lines and our number fact knowledge. We will also be exploring time and different units of measure.</p> <p>We will also be continuing to work through our 2, 4, 5 and 10 times tables.</p>	
<p><u>Science</u> Miss Taylor</p> <p>In Science we will be continuing to learn about how the seasons change and how weather and day length affect animals and humans. We will be learning about what plants need in order to grow, thrive and survive. We will be learning how we all have a vital role in caring for and looking after our environment. We will be carefully thinking about the rubbish we create and our use of single use plastic.</p>	<p><u>Spring Term 2020 – Topic: Great Explorations</u></p> <div></div> <p><u>Years 2</u> <i>Maths and Literacy – Mrs Collett</i> <i>Other subjects - Miss Taylor</i></p>		<p><u>PE & Games</u></p> <p>With Mr Voss on Wednesday we will be developing the different ball skills in learning to play basketball and netball and with Mr Treble we will be learning about different types of dance and creating our own routines. Later in the term we will be learning Gymnastics and taking part in team building activities.</p>	
<p><u>Art</u> Miss Taylor</p> <p>After half term the children will study a unit of work called Colour Chaos. They will use and mix their own colours to create quality artwork. They will explore the life and work of artists such as Mondrian, Klee, Pollock and Kandinsky.</p>	<p><u>Music</u> Miss Taylor</p> <p>In music we will be exploring making long and short sounds with our voice and percussion instruments. Then we will move on to demonstrating pitch movement with our bodies!</p>	<p><u>Geography</u> Miss Taylor</p> <p>In Geography we learn about the importance of a compass. We will be exploring the freezing and fabulous Arctic. In preparation for our visit to a farm we will be finding out about arable, livestock and dairy farms.</p>	<p><u>History</u> Miss Taylor</p> <p>In History we will be learning to understand what makes a person significant and how Neil Armstrong was a famous explorer who went to space to explore the moon.</p>	<p><u>Design & Technology</u> Miss Taylor</p> <p>In Design and Technology we will be finding out about vehicles and using that knowledge to design, make and evaluate a vehicle of our own use.</p>
