

<p style="text-align: center;"><b><u>Literacy</u></b> <b>Mrs Collett</b></p> <p>In Literacy this term we will create stories that show our experiences on the way home, before creating a non-chronological report linked to our science topic on plants. After half term we will create pirate ship diary logs and write letters in a bottle.</p> <p>We will continue to work on developing neat handwriting and making sure we can spell the Year 1 and 2 Common Exception Words.</p>	<p style="text-align: center;"><b><u>ICT</u></b> <b>Mrs Price</b></p> <p>In ICT this term we will be using the skills we learnt about programming before Easter to program and debug beebots.</p> <p>After half term we will be learning to use multimedia to tell a story. We will be learning how to make a powerpoint and how to add text and images.</p>	<p style="text-align: center;"><b><u>Religious Education</u></b> <b>Mrs Mowlam/Mrs McIntyre</b></p> <p>The children will be learning about what life is like for a Jewish child this term, focusing on the Shabbat and why people celebrate it. After half term they will learn about another Jewish celebration - Channukah</p>	<p style="text-align: center;"><b><u>Numeracy</u></b> <b>Mrs Collett</b></p> <p>In Numeracy this term we will be exploring and expanding our knowledge on fractions, before exploring and comparing the different properties of 2D and 3D shapes. After half term we will be exploring how you can use the inverse operation to help you check and answer, before challenging ourselves with problem solving and reasoning activities using all of our learning this year.</p> <p>We will also be continuing to work through our 2, 3, 4, 5 and 10 times tables.</p>	
<p style="text-align: center;"><b><u>Science</u></b> <b>Mrs Price</b></p> <p>In Science this term we will be looking at seasonal changes and daily weather patterns. We will become weather reporters and record observations of the weather at Cheselbourne. We will also be investigating parts of a plant and comparing what parts a flowering plant, non flowering plant and a tree has. We will be planting a bean seed to observe it growing and labelling the parts as it grows. We will continue to work scientifically by completing an investigation on how different seeds germinate at different speeds.</p>	<p><b><u>Summer Term 2021 – Topic: All Aboard</u></b></p>  <p><b><u>Year 2</u></b></p>		<p style="text-align: center;"><b><u>PE /Games/Outdoor Education</u></b></p> <p>Mr Crowe will be focusing on cricket and rounders each Monday and Mr Treble on a Friday will be working on athletics and preparing for sports day. The children will continue to have nurturing, meaningful nature experiences on a Thursday morning with our Outdoor Education teacher, Claire!</p>	
<p style="text-align: center;"><b><u>Art</u></b> <b>Mrs Price</b></p> <p>In Art after half term we will be learning how to make sculptures. We will be learning how to use different materials to make sculptures by finding out about different sculptors including Barbara Hepworth and Marc Quinn.</p>	<p style="text-align: center;"><b><u>Music</u></b> <b>Mrs Mowlam/Mrs McIntyre</b></p> <p>In Music this term the children will learn how to get into the groove with different styles of music; Blues, Baroque, Latin, Bhangra, Folk, Funk. After half term they will be exploring pulse, rhythm and pitch in different styles of music.</p>	<p style="text-align: center;"><b><u>Geography</u></b> <b>Mrs Mowlam/Mrs McIntyre</b></p> <p>The children will be using maps and atlases to identify where our closest seaside towns are, and looking at the features of seaside towns and how they contrast to our locality. They will also be learning about various islands around the UK.</p>	<p style="text-align: center;"><b><u>History</u></b> <b>Mrs Mowlam/Mrs McIntyre</b></p> <p>The children will be learning about the history of the seaside and how seaside holidays become popular during the Victorian era. They will learn about some traditional British features of the seaside such as the Punch and Judy show</p>	<p style="text-align: center;"><b><u>Design &amp; Technology</u></b> <b>Mrs Price</b></p> <p>In Design and Technology this term we will be learning how to sew a glove puppet. We will be learning how to do a running stitch and an over stitch before we design, make and evaluate our own puppet.</p>
