18 June 2010

Dear Parents

World Cup 2010

Well I hope you are all enjoying the World Cup – even the fumble!! Class 2 have been looking at the continents where each of the countries are located, the language spoken, the capital cities and drawing the flags. That was the easy bit. Locating each of the countries on a map was more difficult. Brazil, England, USA and South Africa were easy – Slovenia and Slovakia etc are more difficult!! Hopefully tonight England will win!

Last day for registration for reception 2010

Although the last day for registering children at our school has passed, we still have one more place so if you know of anyone that has a four year old child who may wish to come to us please get them to call in and see us or to register on line.

Carey Camp

I am just waiting, as I write this, for the happy campers to return. The weather has been brilliant, dry and sunny but not too hot. Dry being the most important element! The children have had a super time, cooking, tent making, photo-orienteeing, using the traversing wall and the low ropes and, best of all, campfire – with lots of mosquitoes!! This year Manor Park and Charmouth came with us and we linked up with Winterbourne Valley and Cerne, two other small schools, for all our activities. The children have had such a good time but they will be soooooo tired.

Kitchen Sale

Do have a look at the flyer sent out by Mrs Price re the sale of kitchen equipment, including a microwave cooker, on Tuesday 22 – both before and after school. All monies made will go towards school funds.

Have a great weekend. Kind regards.

Ann Herridge
