12 February 2010

Dear Parents

Outstanding Ofsted

Today, we have had a great time celebrating our great Ofsted result. Jacky Folley produced a super lunch for all the adults and cake for all the children. During the morning she cooked pizza with the 'Let' Get Cooking' club for every child too. Mrs Holding and Mrs Donnelly joined us and we had birthday cake and cherry cake. The children asked why we had cake when we were a healthy school! I did explain that it was because it was a very special occasion.

Thank you to everyone that has sent in congratulations cards and those that have sent in their good wishes. It was a joint effort and we are all so very proud.

The Building Works

Thank you to everyone for being so patience and careful during the building works. The men are well ahead of schedule and, at today's meeting, felt that they should be finished by the end of the Easter holidays - that's about three weeks early.

My Absence

I think you will all agree with me that Mr Duffin has done a magnificent job leading the school in my absence. I am due to see the county doctor just after half term and I sincerely hope that I will be able to begin a staged return to work. This will mean my being in school some of the time but not all. During this period I hope that Mrs Holding will take my teaching sessions and Mr Duffin and I will share the leadership role. I think that you will continue to feel in many safe hands.

Holidays

It just leaves me to wish you all a very happy and safe holiday. It's a bit cold but I'm sure you will all have a great time. We return to school on Monday 22 February.

Kind regards

Ann Herridge
