Head Teacher: Mrs. Ann Herridge B.Ed(Hons)

12 March 2010

Dear Parents

Hot School Meals

The hot meals began on Monday of this week. It is early days but things are going really well. Don't forget - if your child does want a meal it is fine to have it one day or another as long as you book it on the previous week's Monday. You do not have to commit to a week or even to the same day each week. Do contact Sandy if you would like to book one even just to try it.

We are hoping to have a session with the providers so that parents can come in and taste the meals for themselves. We will advise you of dates later.

Easter Concert

Mr Duffin is preparing an Easter concert to begin at 1.30pm on Thursday 1 April (Maunday Thursday) in St Martin's Church. It will be a little different this year so do try to come.

Jobs

We have vacancies coming up for two full time lunch time assistants or one full time and one part time. If you would be interested in either post, or know someone, please contact Sandy for more information on how to apply.

The Building Works

You can really see the change in the building this week now that the roof has been completed. Next week things will look even better as the scaffolding is coming down and the windows are to going in.

Bus Children

Please, please, please inform the school if your child is not going home on the bus. It should be as early in the day as possible. You may not be aware but we are involved in very careful safety procedures to ensure the right children get on the bus and things can become difficult or the bus runs late if parents, carers, friends turn up and we have to hold on to the bus to contact parents for consent to release the children to other adults.

Contact details

We have had problems recently contacting parents or carers. Please check that we have your correct telephone, mobile and/or work phone number - AND - that your phone is switched on.

Sickness

In accordance with school policy if your child has vomiting and/or diarrhoea they should be kept at home for a full 24 hours after the symptoms end. Children who are sent back too early pass the bug to other children and staff and we ask you to observe this for everyone's sake. Thank you to the parents who do!

World Book Day

The children had a really great time and absolutely loved the author that visited us. Thank you for making the effort to dress children in costume and a big thank you to Mrs Bernardini for organising the day.

DASP Concert for Yr 3 and 4- 30th March

A separate letter is coming out today with details of the DASP concert- please check book bags thoroughly.

Open morning and parent consultations 18th March- reminder

Please make a date in your diary and book your appointment time if you haven't already done so.

Kind regards

Ann Herridge
