

## August 2010

Our new gazebo is complete and lots of people have made really pleasing comments about how great it looks. We are so grateful for a large donation from a parent which helped fund it. It will be fantastic for parents at the start and finish of the school day and we are so excited about using it as an outside classroom early in September. Harry and his granddad were our first visitors but very quickly joined by Class 1 on Monday morning. You may also see the staff having their lunch there on a fine day. How great is that!!

Every year DASP holds a 'Last night of the Proms' concert in a huge marquee in the grounds of the Thomas Hardy School. Our year three and four children joined with others playing belle plates and then joined hundreds of children singing Land of Hope and Glory and Rule Britannia. The concert was a superb display of some of the many talented youngsters attending our DASP schools. A brilliant demonstration of team work, talent and great fun.

Helpfulness, kindness, good work and team spirit cups were presented at the leavers' service. Isaac achieved the Good Work cup, Emily in year three for Helpfulness, Edward for Kindness and Stefan the Team Spirit cup. Well done all of you.

Ewan has represented all 4500 First School children in DASP this year with the local authority. We awarded him a specially engraved glass trophy.

Byron, Darwin, Rebecca, Edward and Lucy were voted by their peers to be our DASP citizens this year
