

What a tremendous month with a pantomime visit and a fantastic Christmas lunch provided by the Friends of the Cheselbourne.

Scarecrows, our toddler and parent group had a fantastic party with a bouncy castle.

Four of our children decorated the tree in the church.

Thank you to everyone that came to the Christmas Fayre. Thanks for joining with the singing and making it so special for us. The Friends made over £500 which, as you know, helps to fund the wonderful trips and extras that our children enjoy. We couldn't do it without you.

Don't forget - if you live in Anstey, Hilton or Melcombe Bingham and your child is due to begin school in September 2010 then he or she can come to our Caterpillar Club. Just ring Sandy for information.

Just after our nativity in the church we had a 'send off' for Anne Donnelly who moved to Weymouth. Anne has worked tirelessly for the school and we don't know how we'll do without her. Anne and Will will be missed so much by us all.

The children made Pudsey biscuits for Children in Need.

A huge thank you to Mr Duffin and Mr Baker for fixing the shed roof and saving all our toddler and PE equipment.

The Let's get cooking club is a huge success. Thank you to Jacky Folley, Penny Price and Rachel Bywater.

Thanks you to Sue and Tony Bennett for their support with our calendar. I know the Friends made lots of money with that and will have made lots of people happy with the photos.

All that is left is for us to wish you all a very Happy Christmas and a wonderful New Year. Thank you, every single one of you, for your support over the past year.
