

**May 2010 - What's been happening at your community school this month?**

One thing was I got redirected to France on my way home from visiting my son and his family in Vermont - that's why nothing went in from the school last month!

We celebrated St George' Day with a full English breakfast of bacon, egg, sausage, toast, marmalade or jam and tea. Many of our families joined us to celebrate our special English day.

Our older children have been learning about Ancient Greece - so - of course they had to have a Greek banquet and one had to be dressed correctly for the occasion!!

The May Fair was an absolutely super day. Rebecca looked stunning as the May queen and her entourage looked wonderful. Judy Cooper's efforts were praised by everyone when the children danced around the maypole. The Morris dancing, even with the music 'hiccup', was brilliant. Would anyone think these tiny children could dance so well, hit sticks and no one would get hurt!! The trumpet playing by Mr D and Laurie (one of our 'old' boys) was superb and a big thank you to the band from St Mary's Middle School (with lots of our 'old' children). You were great too.

**Thank you** to everyone that has sent in Tesco and any other tokens and vouchers. There is still time to drop vouchers in to the school but time is running out. Thanks also for the cheque from the Millenium committee. The money will be put to good use for the children.
