

As part of their work on Hinduism, Mrs Holding asked Mr Farrington, the head teacher at the Prince of Wales School, to come in to teach Class 2 about India. He brought masses of artifacts, they all dressed up then he taught them a dance. The staff, children and Mrs Folley made a curry dinner with the Let's Get Cooking Club. Everyone had a fantastic day.

Hanan and Louis' mum's firm bought four new yellow video cameras. The children are thrilled with them and making super films with them. Thank you Mrs Stuart for organizing them.

Brannyn brought in his new baby dog. She was so sweet and everyone wanted to stroke her. Thanks Brannyn.

The School Council organised a bad hair day to raise money for some new playtime equipment. Edward and Mr Thompson did us proud.

Class 1 had a visit to the seaside at Weymouth. The sun shone and they had a great time but I was told the best bit was having a lolly in Mrs Donnelly's garden.

Ella Evason, one of our 'old' pupils, and her mum, gave Class 1 an art workshop on portrait painting. Do pop in and see the results in our new foyer. They are absolutely super. Thank you Ella and Mrs Evason.

Harry brought his own made go kart into school to teach Class 1 about moving toys. It's a brilliant machine. Thanks Harry.  
We still have a vacancy for a lunch time assistant. Please call Sandy if you would be interested.  
Big Thanks for the Tesco vouchers. We're still collecting.
